Reference member's name

PRESIDENT'S REPORT

Hi all members

The last couple of months have seen members visiting many eating establishments. We travelled to Heatherbrae Pies, Dalton, Crookwell and local venues.

Now that the weather is slowly warming up, hopefully members will be inclined to drive their older vehicles on the runs.

Two of our members, Kevin and Iris, are not well, so we hope that they are soon out and about again.

The Club's annual registration day is on November 2, so please mark the date in your diary. More information after the October meeting.

Until next time

Happy Motoring
Bruce

PEDESTRIANS BEWARE

These days the motorist reigns supreme and it's the poor old pedestrian who is always in the wrong.

Last week a man was hit by a car and knocked thirty feet in the air. He was arrested for leaving the scene of the accident.

FROM THE EDITOR

Welcome to our 321st edition of the Broken Spoke, the magazine for the Veteran and Vintage Car Club of Goulburn.

As our President has indicated, the Club Annual Registration Day is set for **Sunday 2nd November**, full details will be published shortly. **All members are reminded that the Club policy is that all members cars go through the annual inspection at this time if at all possible**, any ad hoc inspection during other periods put undue strain on the members of the Club Inspecting team and other Club Officials.

On another note, Lilac Time is upon us again and the Club is taking the opportunity to use the Street Parade on Sunday 5th October to promote our presence in the community by participating. It is our intention to gather at Victoria Park by 9.45 am on the day and proceed as a cohesive group to the parade assembly point in Cartwright Place at approximately 10 am to be in place for the commencement of the parade at 11.00 am. **Following the parade, it is intended that members proceed to Victoria Park for a BYO luncheon/BBQ.**

Enjoy and happy historic motoring

Regards

*Graham
Mansfield Editor*

MONEY, MONEY, MONEY 1

Kim had always dreamt of owning her own car, and when saw an advert for a Corvette, she just couldn't resist. The car was all she'd ever wanted, but there was a problem – the money. Before long she fell behind with the monthly payments. Sick with worry she called into her bank manager's office for some advice.

"Well, it's quite simple," he said, "either you give up the car or quit eating."

After five minutes Kim hadn't said a word.

"What's the problem?" her bank manager asked.

"I'm still thinking," came the miserable reply. "I'm still thinking."

MONEY, MONEY, MONEY 2

I passed a car dealer's shop. I looked in the window and I saw the most beautiful cars.

A fellow came out and said, "Come on in, they're bigger than ever and they last a lifetime!"

He was talking about the payments

DRIVE Lite Historic and Classic Vehicles

August 2025

Welcome to the August 2025 edition of DRIVE Lite Historic Vehicle Scheme (HVS) and Classic Vehicle Scheme (CVS).

In this edition, we explain what historic and classic vehicle owners need to know about seatbelt detection cameras and share a new guide to help with registering Street Rods under the scheme.

Seatbelt detection: What you need to know

Seatbelt detection cameras are now operating across NSW. Cameras are capturing images and detecting whether drivers and passengers are wearing seatbelts. What does this mean for historic or classic vehicles that may not have seatbelts fitted?

New guide to registering Street Rods

An updated guide to registering Street Rods in NSW came into effect in July 2025. Anyone planning to build, modify or register a Street Rod should review the changes to ensure their vehicle meets construction and registration requirements.

The update to version 2.0 of the

seatbelt detection camera, Transport will consider whether a vehicle complies with Australian Design Rules (ADR) at the time of manufacture before any penalties are issued.

Drivers are responsible for ensuring passengers wear their seatbelts correctly. A penalty notice will only be issued if it is clear that a seatbelt offence has been committed, **including evidence that a lap-sash or lap-only belt is not worn or worn incorrectly.**

Wearing a seatbelt doubles the chance of surviving a crash. If a seatbelt is available, it must be worn properly. When possible, **passengers in vehicles without seatbelts should sit in the back seat for safety.**

Additionally:

- Seatbelts must be road-approved and comply with Schedule 2 of the Road Transport (Vehicle Registration) Regulations 2017
- Vehicles built to comply with Australian Design Rules (ADR) 4 and 5 must continue to comply
- If seatbelts are installed in a vehicle without original seatbelt mounts, they must be certified by a qualified engineer.

NSW Supplement to the Second Edition of the National Guidelines for the Construction and Modification of Street Rods in Australia follows consultation with the Vehicle Standards Working Group, which includes representatives from Transport, NSW Police Force, motoring organisations and industry groups.

Key changes in version 2.0 include:

- Revised legal references
- Updated member list for the working group
- Replaced hyperlink text with referenced document titles
- Removal of Section 9.5, Seatbelts and mounts.

First released in 2014, the NSW Supplement provides additional guidance for Street Rod construction and registration requirements in the state. These updates aim to support consistent standards and align with national expectations.

Visit the NSW Government website to read about Registering a street rod | NSW Government

If you believe a fine was issued incorrectly, you can [request a review](#) through Revenue NSW.

Transport warmly encourages you to share DRIVE Lite to your contacts to help improve road safety and regulatory compliance in NSW. When sharing DRIVE Lite content, please ensure that 'Transport for NSW (Transport)' is used in the first reference to Transport. CLUB RUNS

LUNCH RUN – CAFÉ CURATED COLLECTIVE CROOKWELL

Sunday August 3rd

(Courtesy of Kathy)

On Sunday, August 3, members travelled out to Café Curated Collective for lunch.

After being shown to our room, the owner welcomed us and then gave a rundown of the menu. Most of us were soon enjoying our lunch although Brian and Helen had to wait quite a while, as they had run out of crockery and cutlery.

Some of us visited the local IGA before heading back to Goulburn.

Members attending the outing were Kevin and Bev in their VW Combi and in their moderns were Tom, Doug & Anna, Brian & Helen, Tony & Yvonne, Ron & Debbie, Howard & Julie, John & Soie, Doug, Christine, Ivan & Sandra and Bruce and Kathy.

LUNCH RUN - RAILWAY HOTEL

Thursday August 14th

(Courtesy of Kathy)

On Thursday, August 14, members of the club met at Victoria Park. A friend of Howard and Julie's who has a Ford Galaxy arrived and of course everyone had a good look over the car.

Members also checked out Ray's new acquisition a 1961 Holden.

Bruce took the lead to drive around the back of Rocky Hill, down through Eastgrove to arrive at the Railway Hotel for lunch.

After gathering around the fire to warm up, we ordered our lunch and chatted while waiting for our meals to arrive.

Those who enjoyed the outing were: Jenny (Morris Minor), Ray (Holden) Howard & Julie (Riley), Bruce (Chev) and in their moderns were Tony & Yvonne, Doug and visitor Chris in his Galaxy.

LUNCH RUN – GOULBURN GOLF CLUB
Sunday August 24th

On Sunday 24th August 14 members gathered at Victoria Park for a luncheon run to the Goulburn Golf Club. Prior to departure from the park members gathered to observe how clean Tom Moss Autos left Graham & Chris' MG Magnette engine following a recent service.

After proceeding direct to the club, the members settled down to order their meals and enjoy a chat. One aspect of the conversation dominated briefly, that being the number of golfers on the course using remote controlled golf buggy's. The observation being that that was negating the exercise golfers were supposed to enjoy. During the lunch, we were joined by three additional members, Richard Dillon, Keith Smith and Frank McCarthy.

The 17 Members who attended were:

Ivan & Sandra, Tony & Yvonne, Bev Thompson, Doug Gurney, Doug & Anna, John & Soie, Brian & Helen, Richard Dillon, Smithy & Frank (Huson) and Chris & Graham (MG Magnette)

LUNCH RUN – NERRIGA HOTEL
Thursday September 18th

September's run was to Nerriga, an hour's drive from Goulburn.

After meeting at Victoria Park, we had a leisurely drive to our lunch spot, although we left in sunshine that turned to misty rain the nearer, we got to Nerriga.

It didn't take long for us to place our lunch orders that we all seemed to enjoy. As it was wet, we didn't stop at the Museum but continued onto home, coming back to sunshine again.

The travellers were:

John in his Mazda van with the rest of us in our moderns Ivan & Sandra, Tony & Yvonne, Brian & Helen and Bruce & Frank.

LUNCH RUN – MITTAGONG RSL CLUB
Sunday September 28th

On Sunday 28th September 16 members departed Victoria Park for the Mittagong RSL Club and lunch.

Due to the Tallong Apple Festival members travelled directly to Mittagong on the Hume Highway, along the way Ray Clarke in his FB Holden was required to return to Goulburn .

On arrival at the club in Mittagong members were entertained by copulating reptiles near the entrance bridge as they went into the club.

The 15 Members enjoying and excellent meal were.

Doug & Anna, Graham, Doug Gurney, Brian & Helen, Ivan & Sandra, Tony & Yvonne, Tom Bryant all in Modern vehicles and Gary & Helen (Valiant Pacer) and Bev & Kev (VW Kombi)
